

Sisters of the Precious Blood

Prayer to Our Lady of the Precious Blood

Mary, our sister, our mother, you stand silently
at the base of the cross.

Draw us to you in your gaze of union of hearts,
in this moment of shared agony
and shared surrender.

Give us the strength of love to accompany
the suffering Jesus,
to get close enough to touch his heart and
be covered by his blood.

Let our eyes not stray from his gaze but bring us
into union with Him in suffering transformed,
in loving surrender.

Mary, our sister, our mother, you stand silently
at the base of every cross.

Receive and mix our bloodshed with
the blood of Jesus.

Unite our sufferings in the cup of joy and love
shared in Eucharist, where all is transformed
in Jesus Christ our Lord.

Amen.
